

How do I access full text journals?

- NHS OpenAthens username and password required.
- Register for OpenAthens at openathens.nice.org.uk if needed.
- Via evidence.nhs.uk then click 'Journals and databases' at the top right then 'Journals A-Z'.
- Direct to journals.nice.org.uk (go to [Login](#)).

Journals and databases

Quick access to a range of journals and other evidence-based resources for health and social care staff in England.

Provided in partnership by HEE and NICE

You'll need an [NHS OpenAthens](#) account to access most of these resources.

Journals and articles

You can find journal articles by:

- browsing or searching within a particular journal
- searching in a bibliographic database (which has articles from a wide range of journals).

[Journals A-Z](#)

Evidence-based resources

[BMJ Best Practice](#)

An evidence summaries resource. It provides actionable knowledge to support:

- decision-making at the point of care
- education and learning before, during and after the patient consultation.

Login:

Use your NHS OpenAthens username and password to see both locally purchased resources as well as the national ones. Use the link to register for OpenAthens.
