Are you working with a young person with ADHD or ASD and are wanting to know more about what support is available for them?

Would you like to discuss a referral?

Have you had conflicting advice regarding working with children and young people with ADHD/ASD and need some clarification?

Does your service need advice about training or consultation?

WE ARE AVAILABLE TO DISCUSS:

- possible or diagnosed ADHD/ASD
- advice on referrals
- signposting to relevant services
- training, support and consultation for professionals.

TELEPHONE SLOTS ARE AVAILABLE TO:

- all health care professionals
- education staff
- other agencies who work with children and young people diagnosed with, or you think may have, ADHD/ASD.
