

TALKING SUCCESS

RAISING PUPILS ACHIEVEMENT THROUGH IMPROVED SPEECH, LANGUAGE AND COMMUNICATION SKILLS

Over the past three years 'Talking Success' training has successfully been rolled out across Northamptonshire; enabling mainstream teaching staff to identify & support children with speech, language and communication needs.

Following exceptional reviews, the Children's Speech and Language Therapy Team are continuing to offer this fantastic training opportunity to all mainstream primary schools across Northamptonshire.

Do you have a new member of staff in school, want more people to be trained or are you looking for specific personal development opportunities for individuals? 'Talking Success' is the answer.

- 12 December 2019 - 9:30am - 12:00pm

MAKING A DIFFERENCE, FOR YOU, WITH YOU.

TALKING SUCCESS

TALKING SUCCESS WILL ENABLE SCHOOLS TO:

- Identify and support pupils with speech, language and communication needs through targeted interventions and classroom strategies
- Accelerate the speech, language and communication development of pupils in order to raise achievements in school
- Make successful and appropriate referrals to the Speech and Language Therapy Team when more specialist support is needed
- Engage in school to school networking and sharing of good practice.

COURSE DETAILS

- 'Talking Success' is a comprehensive course compiling both theory and practical learning opportunities
- The first sessions cover 'typical' development of speech, language and communication skills. There is also a focus on promoting 'communication friendly environments' and clear guidance on who and how to refer children to the Speech and Language Therapy service
- The last three sessions cover how to support children with a range of speech, language and communication needs including vocabulary teaching, supporting children with Selective Mutism and stammering
- Regular opportunities are provided to explore published speech and language interventions throughout the course
- The training will be facilitated by NHS speech & language therapists
- Each participant will receive course materials and refreshments, however, lunch is not provided
- If your school is new to 'Talking Success' training we recommend you send three members of staff in order to maximise its impact on your school. Ideally, a combination of the SENCO, one teacher and a teaching assistant
- If your school has previously attended the training but are looking to train new or additional members of staff single bookings can also be made

- To make a booking contact Amanda Duncan, Speech & Language Therapist
