

Report to 14th of January 2014 Council of Governors Meeting

Report from 3rd December 2013 Patient Safety & Experience Meeting

Items to highlight from the meeting:

1. Francis report: Governor discussion and feedback

Julie Hargreaves, Head of Quality Support and Assurance attended the meeting to request Governor feedback on how the Trust had progressed with the recommendations made in the Francis Report. It was agreed to ask all Governors for feedback, which Julie would collate.

2. Mental Health Community Survey 2013

Itai Nyamatore, Locality Manger for East Northants presented the 2013 Mental Health Community Survey results and updated the group on the plans to improve responses rates in 2014. The group discussed the 2013 results.

3. Patient Safety Report

Kate Woodfield, Patient Safety Manger presented the Patient Safety report to the group. The group discussed the report and raised queries on some of the individual areas within the report such as Pressure Ulcers.

4. Updates from Local Forums

The Governors received reports from some of the Governors who had attended some of the local patient engagement groups. The group agreed to continue providing updates from these forums and noted that some localities/GP surgeries do not yet appear to have groups set up.
