- Local system collaboration to develop 'place-based' Sustainability and Transformation Plans (STPs).
 - Prevention & Wellbeing
 - Urgent Care
 - Complex Care/Long Term Conditions
 - Planned Care
 - Key enablers

‘Supporting Northamptonshire to Flourish’

Northamptonshire Health & Wellbeing Strategy

- Vision:
‘Help people help themselves, as individuals, families and communities, to improve health and wellbeing’.
- Priorities
 1. Giving every child the best start;
 2. Taking responsibility and making informed choices;
 3. Promoting independence and quality of life for older adults; and
 4. Creating an environment for all people to flourish.
