

Council of Governors: 13th September 2017 - report from Patient Safety & Experience
Sub Group, 13th July 2017

Safeguarding Adults Review

The sub group discussed a Safeguarding Adults Review and received an update from the Chief Operating Officer.

SI Learning Assurance Report from Trust Board, 25th May 2017

The sub group reviewed and noted the paper which had been presented to Trust Board at its 25th May 2017 meeting, and was subsequently referred to PSE from the Corporate Assessment Group.

Patient Information Transfers

The sub group was pleased to learn that Northampton General Hospital had agreed a protocol to support information transfer when patients move between Trusts.

Countywide Outflow Group

The Chief Operating Officer provided the sub group with an insight into the work of the Countywide Outflow Group.

Single Point of Access (SPOA) update

The Chief Operating Officer provided the sub group with an update on the rollout of the Single Point of Access for services.

Janet Hathaway, Chair
